

# PRODUCE

## COLLECTION

 **Cayuga** DISPLAYS

## DEPARTMENT:

# PRODUCE

The produce department is the single greatest determiner of customer loyalty. More than just showcasing fresh product, the produce area needs to have a fresh overall energy too, with plentiful displays and great range of product.

Cayuga Displays has an extensive line of display possibilities to highlight the produce itself, as well as to cross-merchandise related products, like dried fruits, sauces and nuts. We offer great options for getting more refrigeration on your floor in order to build your customers' shopping experiences and get more product noticed.

And when you work with Cayuga Displays, you can always be confident we'll help you to select the right product and options, so that you have the food presentation that is certain to elevate your customers' experience and enhance your brand – beautifully.

*"Longo's is pleased to support Cayuga Displays. Your team's quick service/turnaround for projects has helped us with our millwork for bakery and floral in past projects. More recently your team has come up with some cost effective refrigeration solutions for our bakery and produce."*

Paul Collette,  
Longo's Support Center  
Project Manager Real Estate  
and Construction

# FRESH GO BIN™ CRITICAL TEMPERATURE SINGLE POD MOBILE MERCHANDISER

3' x 3' & 4' x 4' SINGLE POD SIZES, CREATE A UNIQUE REFRIGERATED MOBILE DISPLAY

MODEL	DÉCOR PANELS	LENGTH	WIDTH
FGB3-0132-_S	A,B,C,D	36"	36"
FGB4-0132-_S	A,B,C,D	48"	48"

## FEATURES:

- Display fresh juices, cut fruits, yogurts, deli meats, cheeses, bakery etc.
- Designed to maintain critical product temperature at 38-41°F with a unique 9" high merchandising area
- A mobile display with self-contained refrigeration that plugs into a 115v dedicated circuit
- A unique attachment system designed to provide the flexibility to incorporate a collection of standard exterior décor panels (Panel B option shown) or customized panels can be created to match your decor or brand image
- The standard décor panels are constructed of natural wood veneers with a variety of stain colours available
- A wide range of laminates, metals and wood finishes to choose from for a customized look
- Metal protective corners are applied to prevent damage to the décor panels
- Removable black "Ultra-Durable Texture™" powder coated flat base inlays
- Heavy duty casters or adjustable legs
- Fresh Go Bins™ are also available in 2 pod and 4 pod configurations. Specification sheets available

## SUGGESTED APPLICATIONS:

Bakery

Produce

Deli

ACBH-004-01A	Screw On Bag Holder	4"	6"	22"
ACBH-004-01B	Screw On Bag Holder w/ Tie Cup	4"	6"	25 ½"

## FEATURES:

- Metal construction powder coated black

Note: Information and specifications may change due to engineering improvements.

# PGT SERIES

## Applications

- The PGT Series is designed to be easily installed into an island set up, with adjustable upper shelf and base merchandising
- Main table deck sits at a fixed 20° angle
- ABS bumper and levelers
- Protective corner guards and data strip available upon request

# PGT SERIES

## MULTI-TIER TABLE w/ ADJUSTABLE SHELVES

MODEL	DESCRIPTION	LENGTH	WIDTH	HEIGHT
TBFD-001-01B	Multi-Tier Table w/ Adj. Shelves- 48"	48"	48"	54"

### FEATURES:

- Birch/maple plywood, MDF and solid maple construction
- Lower merchandising shelf
- Levelers
- 2" ABS bumper
- Adjustable 14" deep plywood shelf on metal brackets

### OPTIONS:

- Bag holder and signage also available
- McCue bumper (1" or 2")
- Stain Finishes - see page 68

Note: Information and specifications may change due to engineering improvements.

TBFD-001-01B

# PGT SERIES END CAP TABLE w/ ADJUSTABLE SHELF

MODEL	DESCRIPTION	LENGTH	DEPTH	HEIGHT
TBIE-001-01B	End Cap Table w/ Adjustable Shelf	48"	24 3/4"	54"

## FEATURES:

- Birch/maple plywood, MDF and solid maple construction
- Lower merchandising shelf
- Levelers
- 2" ABS bumper
- Adjustable 14" deep plywood shelf on metal brackets

## OPTIONS:

- Bag holder and signage also available
- McCue bumper (1" or 2")
- Stain Finishes - see page 68

Note: Information and specifications may change due to engineering improvements.

TBIE-003-01B
